## **Progressive Initiatives 2022 Sponsorship Packages**

## Dear Sponsors and Advertisers:

We humbly request your generous support for our **6th annual scholarship golf tournament and fundraiser, hosted by the Progressive Initiatives Foundation** (<http://www.progressive-initiatives.org/events.html>). The mission of the Progressives Initiatives is to become the pre-eminent organization to administer youth mentoring programs. By developing programs that nurture creativity, promotes STEM education and overall academic achievement, reinforces civic, social and personal responsibility, we are able to be a guiding hand for youths in the Dallas-Fort Worth Metroplex. We are all painfully aware of how important a post-secondary education is in today's competitive job market and understand the power of creating mentorship programs. To that end, Progressive Initiatives annually offers the Kendall Beck Scholarship to graduating DFW high school seniors who are residents of Dallas, Collin, Denton, or Tarrant County. To date, we have awarded greater than \$90,000 in scholarships.

Our golf tournament brings together professional women and men, representing many communities and occupations, who are actively involved in the work of bettering communities across the DFW Metroplex. Along with bringing community leaders together in support of the golf tournament, we also host a luncheon where we highlight local businesses and take time to celebrate and honor our scholarship recipients. We feel it is a competitive advantage for our golf tournament supporters and donors to see first-hand how, and where, their support and contributions make a difference.

We invite your organization to be a part of our efforts, as a sponsor and/or advertiser, or donor. Our sponsors, advertisers and donors are continuing to reap the benefits of being positively connected with the work that we do across the metroplex. Your organization will have the opportunity to connect with our tournament attendees and their guests to represent your business and brand messages.

We sincerely appreciate your generosity and willingness to support the efforts of the dedicated group of men and women who are making an outstanding impact on their communities, our mentorship program, and our scholarship recipients!

Thanking you in advance.

Howard Redmond
